

Dutch Aviation Open Golf 2005

Michael Donohoe joyful winner for 2005

VZM hosted the 7th annual *Dutch Aviation Open* golf tournament on a glorious September 13. The weather could not have been more perfect. The 45 participants, divided between the official flights for serious contenders and the well-run golf clinic for beginners, played the wonderful Nunspeetse Golf Course. It is believed that more than a few of the clinic players were 'hooked' and will work hard to join the flights next year. The end of the golf rounds was followed by a social hour at the clubhouse and then a sit-down dinner. After all the scores were tallied—very close among the top finishers—the floating *Hans Minnee Challenge Trophy* was awarded to a joyful Michael Donohoe who claims the rights to hold the trophy until next year when he vows to return and defend it. Mark your calendars for the 8th annual Tournament next September 12 – we all look forward to getting together again.

2006: Special event

As VZM expects to celebrate its 10th anniversary in November 2006, participants of next year's edition of the Dutch Aviation Open Golf Tournament can expect a special event. Therefore, book already **September 12, 2006** in your agenda to prevent missing it.

Clinic winners: Hans Wareman and David Hansler

This year's clinic was split in two groups—one for the real beginners and the second for a group of participants who were inspired by the numerous clinics of previous editions and decided to take lessons. Both groups played a little competition as well. In the beginners group Hans Wareman turned out to be the best in his group, although closely followed second place, Sandra Nieuwenhuijzen.

The second group was divided in two teams, which played against each other on 6 short par 3 holes. According their pro, Jan Joosten, David Hansler clearly stand out above the rest, copying Jan Gerrits performance of two years ago by missing a hole-in-one by only a few centimeters.

The Hans Minnee Challenge Trophy

The Dutch Aviation Open Challenge Trophy is a sculpture made by Gary Price. The trophy is named after Hans Minnee, co-founder of VZM Management Services, who passed away unexpectedly in April 2003. Hans was the driving force behind the start of the golf tournament and discovered the sculpture himself during a business trip to the US.
